MEMORANDUM FOR: Director of Central Intelligence
Deputy Director of Central Intelligence

FROM: Chairman, National Intelligence Council

SUBJECT: Joint OSD/DCI Net Assessment

You asked me on Friday about the status of the OSD/DCI Net Assessment. The first drafts of three chapters will be available for comment by the first week in February. The preparation of the input from the Intelligence Community is being managed by Larry Gershwin, NIO/SP. [redacted] Office of Soviet Analysis, CIA, are drafting the chapter for which we have primary responsibility. An outline has been prepared for this chapter, but drafting cannot begin until his group's participation in NIE 11-3/8-81 diminishes (end of February). The outline is being sent to the NFIB Representatives for NIE 11-3/8, and the chapter will be coordinated as if it were an NIE. [redacted]
